- The Governance Committee felt strongly that our Volunteers needed more attention and that by adding a Volunteer Coordinator to focus on our Volunteers we could ensure our current and future volunteers would find value in giving of their time to SLNC.

RISKS & MITIGATING ACTIONS:

- The Governance Committee is responsible for many BOD functions and at times their attention can be pulled in many directions. The committee is prioritizing tasks so that it will continue to progress forward. Additional resources are needed to develop subcommittees identified above.
